Old Business:

Purchase of Club Pack of 10 or more Arrow OSJ146/440

J Pole Antennas. Purchased separately, they are \$59.00 each plus tax and shipping. The club can purchase a club pack of 10 for about \$42.00 each which includes tax and shipping. We need at least seven orders to go forward.

New Business:

Time to pay club dues: Josh

If you are not an ARRL member, please consider joining. (To maintain our ARRL affiliation, 75% of our members must be ARRL members.)

Board of Trustees voted to award up to four ARRL Memberships to club members who are not ARRL members and are currently financially challenged. \$49.00

Board of Trustees also voted to allow up to four free club memberships to licensed operators who are currently financially challenged.

Board of Trustees has voted to recommend that the club purchase an antenna analyzer. Rig Expert AA600 for \$525.00 plus tax.

Goals:

The club is also looking to acquire at least two UHF/VHF stations as loner stations for new Amateur Radio operators

We would also like to acquire at least two HF stations as loners for new operators.

Program: TARC Repeaters: presented by Wayne Hoskins WM5Q

Any other Business:

Meeting Adjourned:
