Old Business:

If you are not an ARRL member, please consider joining, TARC is an ARRL affiliated Club.

Club has up to four ARRL Memberships available to club members who are not ARRL members and are currently financially challenged. \$49.00 (contact me or one or the board members)

Loaner Radio Program

The club currently has 2 complete VHF/UHF stations available to loan.

Two additional VHF/UHF stations are currently in work and should be available in about two weeks.

One HF/VHF/UHF station is in work and should be available in about two weeks.

A second HF station is in work, availability TBD.

To request a station, please contact Joe Lisbony WB5SD or Pat Brown AK5TX. You must be an active club member (dues paid) and have the appropriate license. You should have a way available to ground the station and a support for an antenna. If you do not, we can help with these items. We will have the loaner request form on the TARC website in the future.

New Business:

TARC Board of Trustees voted to purchase a one-year Zoom subscription for club use. (meetings, training etc.)

TARC status as 501c3

Program on Bonding and Grounding by David Casler KE0OG via YouTube
